

Welcome to Oak Centre!

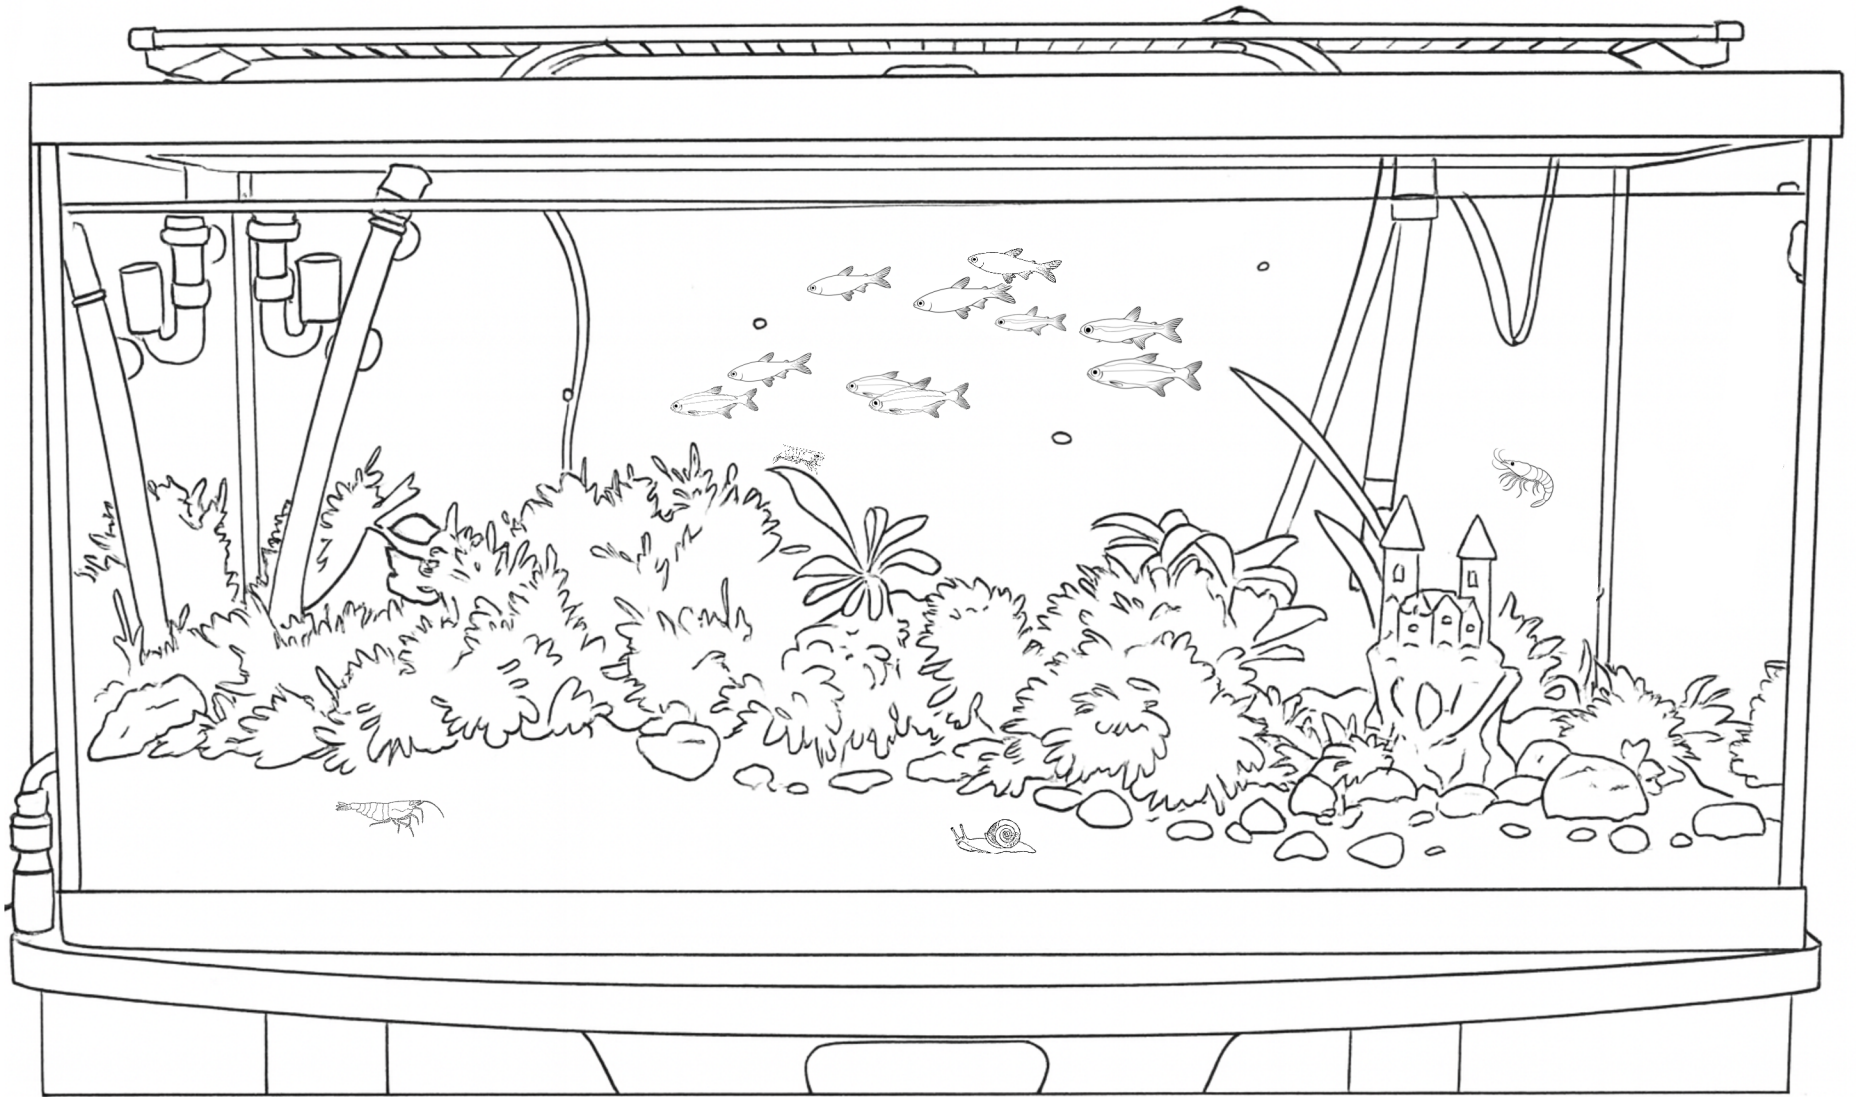

This is Mikayla and Tessa. They're here to help you feel safe and answer your questions. You might meet other friendly grown-ups too.

When you walk
into the building,
there is a wall with
a picture of happy
forest animals.
What is your
favourite animal?

There is a fish tank with fish, very tiny shrimp, and lots of snails. How many shrimp do you see?

**You might see a
room like this
when you come
visit.**

**Hopefully you
feel calm and
comfy here!**
